

A photograph of an elderly woman, Barbara, and a caregiver standing in front of a brick house. Barbara is on the left, wearing a teal shirt and glasses, with her arms raised in a celebratory gesture. The caregiver is on the right, wearing a red shirt with the University Care Center logo, also smiling. Behind them are several tall, dried corn stalks. The house has a brick lower half and white siding above.

My Name is Barbara!

After a bout with cellulitis, Barbara needed antibiotic treatment, physical therapy, and lots of TLC! In no time at all Barbara was headed home!

Barbara is University Strong!
